In this review, we will delve into the contents of the book, exploring its strengths and weaknesses, and providing valuable insights into its usefulness. Whether you're a beginner looking to learn the basics of blues guitar or an experienced player seeking to expand your vocabulary, this review will help you decide if '100 Blues Guitar Licks' is the right book for you.

## Content

'100 Blues Guitar Licks' is divided into 10 chapters, each focusing on a different aspect of blues guitar playing. The chapters cover a wide range of topics, including:

- Basic blues patterns
- Turnarounds
- String bending
- Slide guitar
- Jazz blues
- Shuffle blues
- Rock blues
- Minor blues
- Funk blues
- Country blues

Each chapter begins with a brief to the topic, followed by a series of licks that demonstrate the techniques discussed. The licks are presented in tab and standard notation, with clear explanations of fingering and techniques.

Woodward does an excellent job of organizing the licks according to difficulty, making it easy for guitarists of all levels to find licks that they can learn and play. The licks range from simple pentatonic blues patterns to more advanced techniques such as double stops and octave bends.

## **Strengths**

One of the strengths of '100 Blues Guitar Licks' is its comprehensive coverage of blues guitar techniques. The book provides a solid foundation for guitarists looking to learn the basics of blues guitar, as well as a wealth of licks for experienced players to expand their vocabulary.

Another strength of the book is its clear and concise explanations. Woodward provides detailed instructions for playing each lick, making it easy for guitarists to follow along and learn the techniques.

### **Weaknesses**

One potential weakness of '100 Blues Guitar Licks' is that it does not include any audio or video examples. This can make it difficult for some guitarists to hear how the licks are supposed to sound. However, there are many online resources that provide audio and video examples of blues guitar licks.

Another potential weakness is that the book does not include any exercises or backing tracks. This can make it difficult for guitarists to practice the licks in a musical context.

Overall, '100 Blues Guitar Licks' by Martin Woodward is an excellent resource for blues guitarists of all levels. The book provides a comprehensive coverage of blues guitar techniques, with clear and concise explanations. While the lack of audio and video examples and backing tracks may be a drawback for some guitarists, the wealth of licks and the clear explanations make this book an invaluable resource for any blues guitar player.

Whether you're a beginner looking to learn the basics of blues guitar or an experienced player seeking to expand your vocabulary, '100 Blues Guitar Licks' is a book that you should definitely check out.

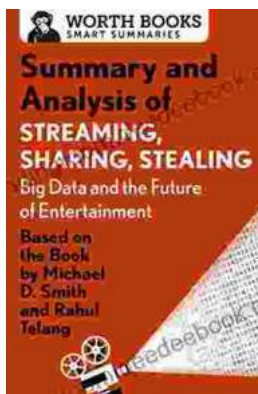

**Rating: 4.5 out of 5 stars**
