## Tips for Beginner Free Motion Quilters

- **Start with a small quilt or practice piece:** Experiment on a smaller scale to build confidence and master the techniques.
- **Use a darning foot:** This specialized foot provides better visibility and control over the fabric.
- **Stabilize your quilt:** Use a spray adhesive or basting stitches to secure the quilt layers, preventing puckering.
- **Practice patience:** Free motion quilting requires a steady hand and takes time to master. Embrace the process and enjoy the journey.
- **Have fun:** Unleash your creativity and experiment with different designs. There are no mistakes, only unique expressions.
