## Early Life and Career

Etta Dunn was born in Glasgow in 1873. She began her photography career in the early 1900s, working as a commercial photographer and documenting the city's street life. Dunn's work is notable for its realism and its focus on everyday people and events. She was one of the first

photographers to document the lives of working-class Glaswegians, and her photographs provide a valuable record of the city's social history.

### **Glasgow's Changing Landscape**

Dunn's photographs capture the changing landscape of Glasgow over the course of her career. She documented the construction of new buildings and the demolition of old ones, the expansion of the city's suburbs, and the development of new industries. Dunn's work provides a unique perspective on the city's growth and transformation.

## **Social Documentary**

In addition to her work as a commercial photographer, Dunn was also a social documentary photographer. She used her camera to document the lives of working-class Glaswegians, including their homes, workplaces, and families. Dunn's photographs provide a valuable record of the social history of Glasgow, and they offer a glimpse into the lives of ordinary people.

## **Legacy**

Etta Dunn died in 1959, but her legacy continues to live on. Her photographs are held in the collections of the Glasgow Museum and the National Library of Scotland, and they have been exhibited in galleries and museums around the world. Dunn's work provides a unique and valuable record of the history of Glasgow, and it continues to inspire and inform our understanding of the city today.

Etta Dunn was one of the most important photographers of the 20th century. Her work captured the changing landscape of Glasgow and documented the lives of its people. Dunn's photographs are a valuable resource for historians, sociologists, and anyone interested in the history of Glasgow.
