Brad Pitt Fishfinger is a bizarre rumor that has circulated online for years. It claims that the Hollywood actor Brad Pitt has a strange nickname: Fishfinger. The rumor has been the subject of much speculation and debate, with some people believing that it is true and others believing that it is false.

There are a few different theories about how the rumor started. One theory is that it originated on the set of the 1991 film *Thelma & Louise*. Supposedly, Pitt was eating a fish finger during a break in filming, and one of the crew members jokingly called him "Fishfinger." Another theory is that the rumor started on the set of the 1995 film *Se7en*. Supposedly, Pitt was eating a fish finger during a break in filming, and one of the crew members jokingly called him "Fishfinger."

Whatever the origins of the rumor, it has certainly taken on a life of its own. It has been featured in articles in major publications, such as *The New York Times* and *The Guardian*. It has also been the subject of numerous online discussions and debates.

So, is there any truth to the rumor that Brad Pitt is nicknamed Fishfinger? It is difficult to say for sure. Pitt has never publicly confirmed or denied the rumor, and there is no clear evidence to support it. However, the rumor has persisted for many years, and it has been reported by multiple sources. It is possible that the rumor is true, but it is also possible that it is simply a fabrication.

If the rumor is true, it is unclear why Pitt would have such a strange nickname. One possibility is that it is simply a joke that has gotten out of hand. Another possibility is that Pitt has a fish allergy, and the nickname is a way to tease him about it. Whatever the reason, the rumor of Brad Pitt Fishfinger is a fascinating one. It is a reminder that even the most famous celebrities can be the subject of bizarre and outlandish rumors.

The rumor that Brad Pitt is nicknamed Fishfinger is a bizarre and intriguing one. It has been circulating online for years, and it has been the subject of much speculation and debate. However, there is no clear evidence to support the rumor, and it is unclear whether or not it is true. Ultimately, it is up to each individual to decide whether or not they believe the rumor.
