The Suzuki Cello School is a comprehensive and effective method for learning to play the cello. It is based on the principles of Dr. Shinichi Suzuki, who believed that all children can learn to play music if they are given the right environment and instruction.

The Suzuki Cello School Volume 1 Revised is the first book in the Suzuki Cello School series. It is designed for beginner cello students and includes everything you need to get started, including:

- Basic cello technique
- Simple cello songs
- Duets for cello and piano
- A CD with recordings of all the songs and duets

The Suzuki Cello School Volume 1 Revised is a great resource for beginner cello students. It is well-organized and easy to follow, and the included CD is a valuable resource for learning the songs and duets.

### **What's New in the Revised Edition?**

The Suzuki Cello School Volume 1 Revised was released in 2010 and includes a number of updates and improvements over the original edition. These updates include:

- New songs and duets
- Updated fingerings and bowings
- A new chapter on vibrato
- A revised CD with new recordings

The Suzuki Cello School Volume 1 Revised is a significant improvement over the original edition. The new songs and duets are fun and engaging, and the updated fingerings and bowings make it easier to learn the correct technique.

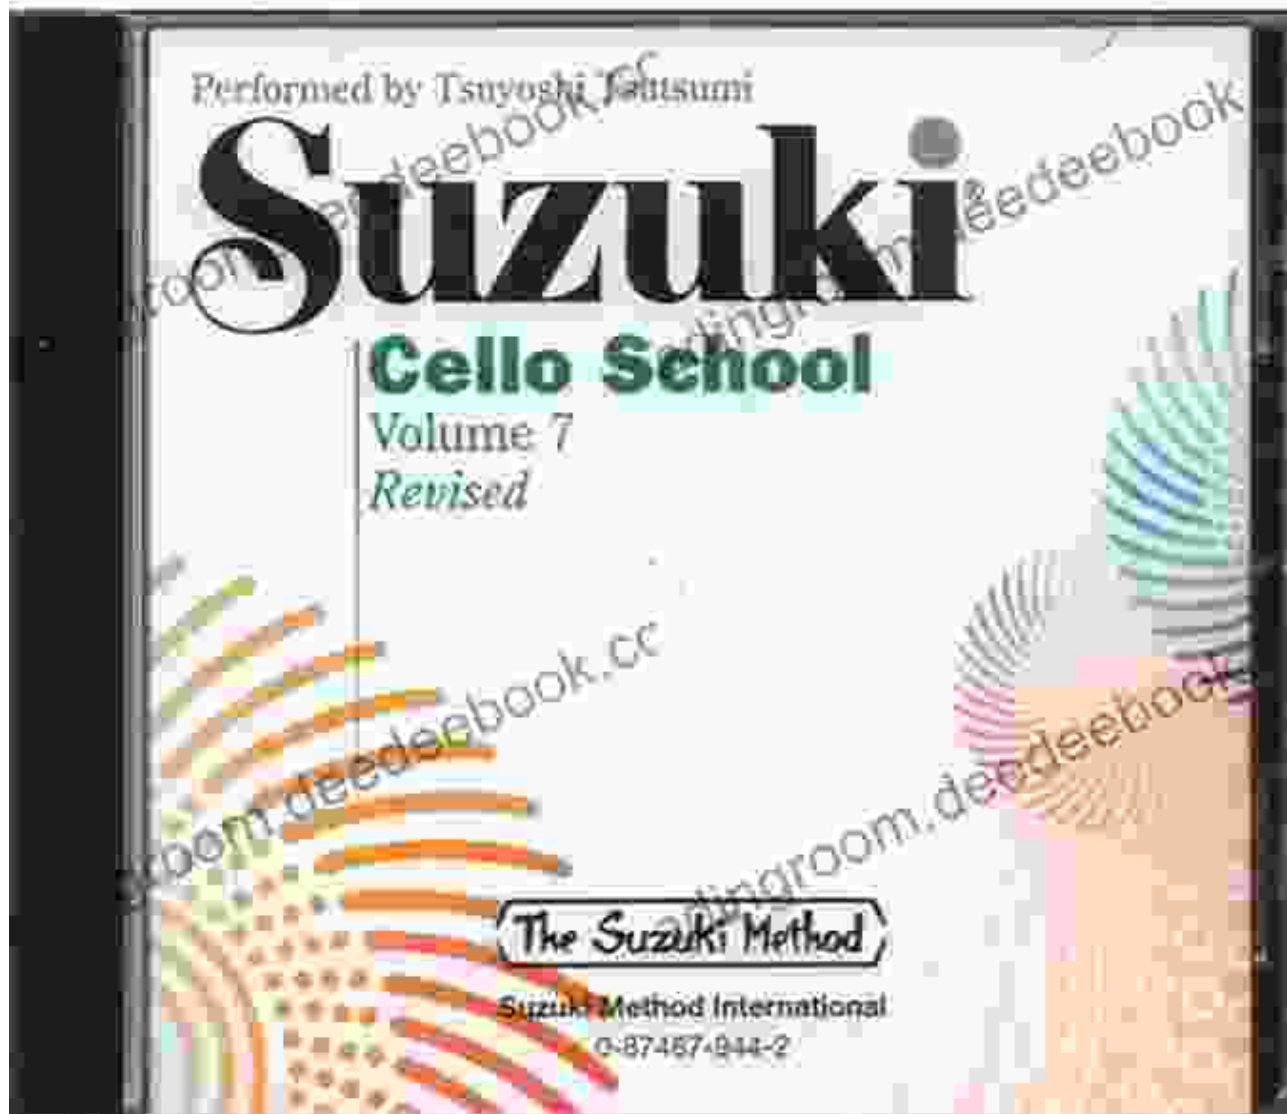

### **Who Should Use the Suzuki Cello School Volume 1 Revised?**

The Suzuki Cello School Volume 1 Revised is a great choice for beginner cello students of all ages. It is particularly well-suited for young children, as the Suzuki method is based on the idea that children learn best through imitation and repetition.

Adults who are new to the cello can also benefit from the Suzuki Cello School Volume 1 Revised. The book is well-organized and easy to follow,

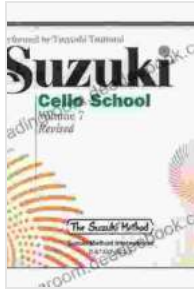

and the included CD is a valuable resource for learning the songs and duets.

The Suzuki Cello School Volume 1 Revised is a comprehensive and effective method for learning to play the cello. It is well-organized and easy to follow, and the included CD is a valuable resource for learning the songs and duets. The book is a great choice for beginner cello students of all ages, and adults who are new to the cello can also benefit from the Suzuki method.

If you are interested in learning to play the cello, I highly recommend the Suzuki Cello School Volume 1 Revised. It is a great resource for beginner cello students of all ages, and it will help you to develop a solid foundation in cello technique.
