## The Birth of a Legend: Frontier Scouts and Lawmen

The origins of the Texas Rangers can be traced back to 1823, when a small group of frontier scouts was formed under the leadership of Stephen F. Austin, the "Father of Texas." These intrepid frontiersmen were tasked with protecting settlers from Native American raids and maintaining order in the vast and untamed wilderness of Texas.

As Texas grew and developed, so did the role of the Rangers. They evolved from wilderness scouts into full-fledged law enforcement officers, responsible for enforcing the law and bringing criminals to justice in a frontier society where there were often few other forms of authority.
